PER MONTH

₹3,499
PER YEAR

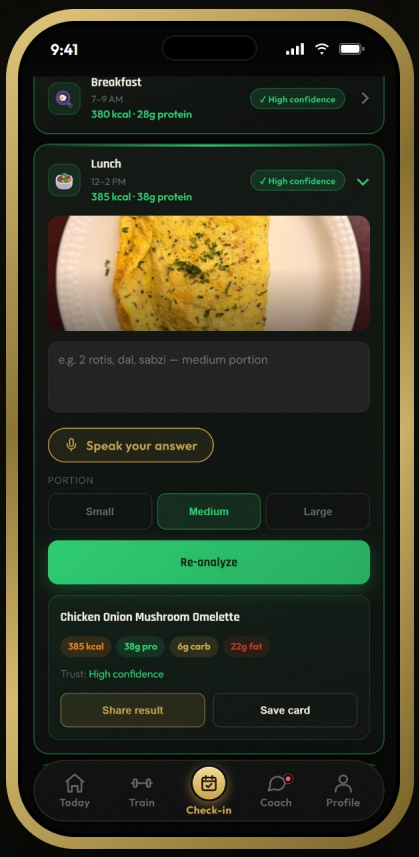

WHAT YOU GET

- AI meal snap + macros
- Daily check-ins & streaks
- Sunday reviews
- Progress dashboards
- Energy balance tracking

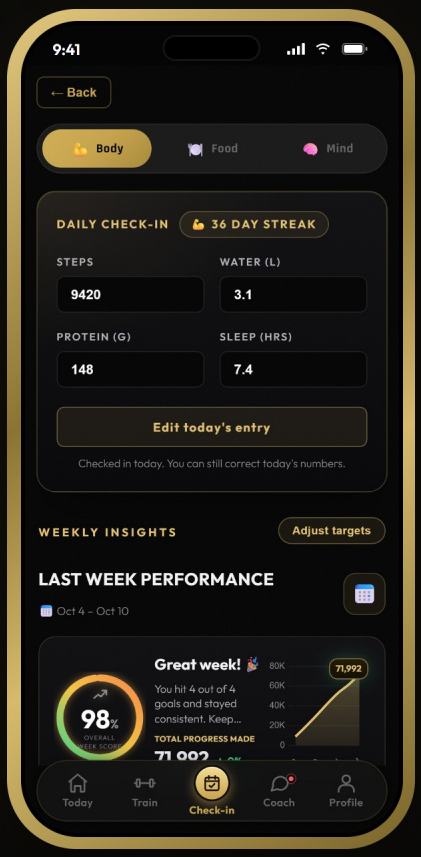

Your whole day, on one screen

Streak, today's plan and what is still left, the moment you open the app.

AI meal snap + macros

Photograph any meal. Calories, protein, carbs and fat come back in seconds. Co-powered by FitChef.

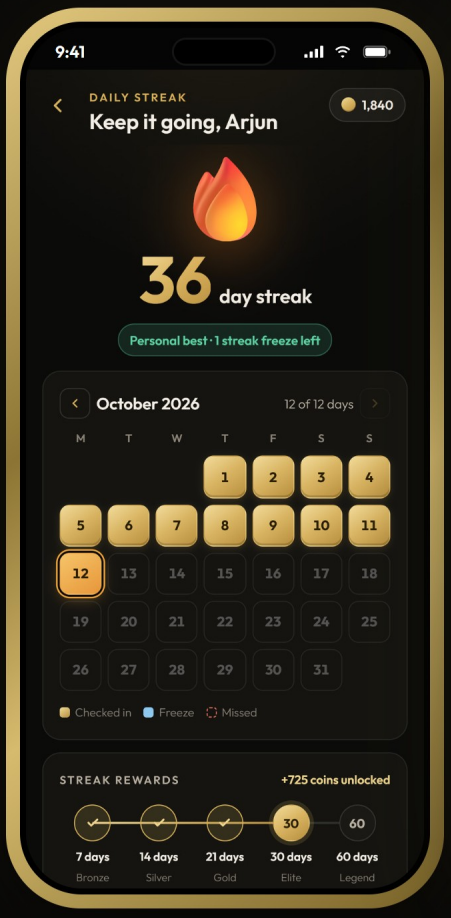

Daily check-ins

Steps, water, protein and sleep. Four numbers, about ten seconds a day.

CORE

Habits that stick

Streaks, weekly reviews and a score that turns effort into a number.

Streaks and rewards

A calendar of every check-in, a streak freeze for the off day, and coins at each milestone.

Sunday reviews

A weekly review of weight, training, nutrition, sleep and stress, with room for your questions.

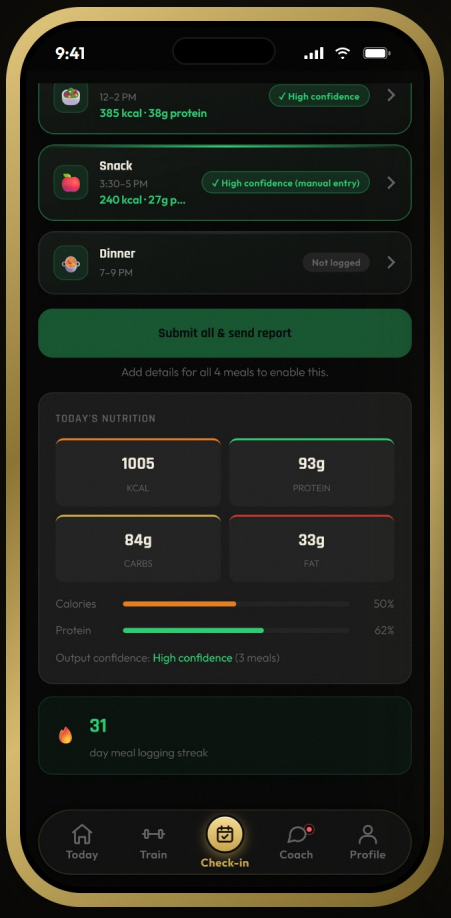

Progress dashboards

Last week scored against your own targets for steps, water, protein and sleep.

CORE

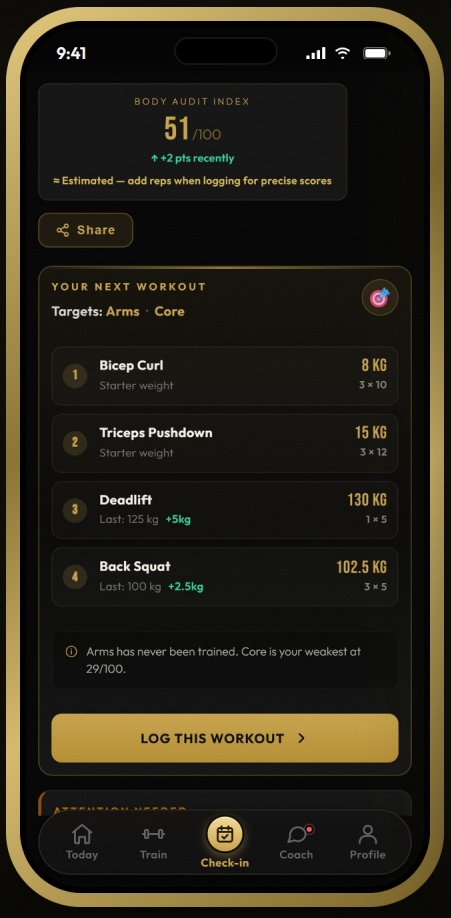

The full picture

Food, strength and mind, tracked in the same place.

Energy balance tracking

Every meal adds up to a running daily total, measured against your calorie and protein targets.

Muscle ranking

Your logged lifts become a Body Audit Index, with the muscle groups to train next.

Mind check-in

Mood, stress and sleep each day, plus guided breathing. Co-powered by Beyond The Body.

EVERYTHING IN CORE, PLUS

Guided

The app plus expert guidance from your coach. For people who want a coach reading their numbers and a plan built around their blood work.

₹2,999 PER MONTH

₹9,999 FOR 4 MONTHS

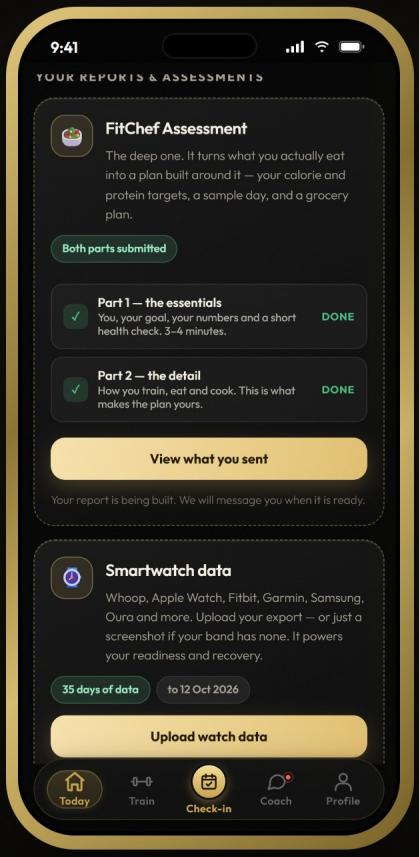

ADDS TO CORE

- Blood report analysis
- In-depth nutritional advice
- Custom workout program
- AI Trainer
- Chat with your coach

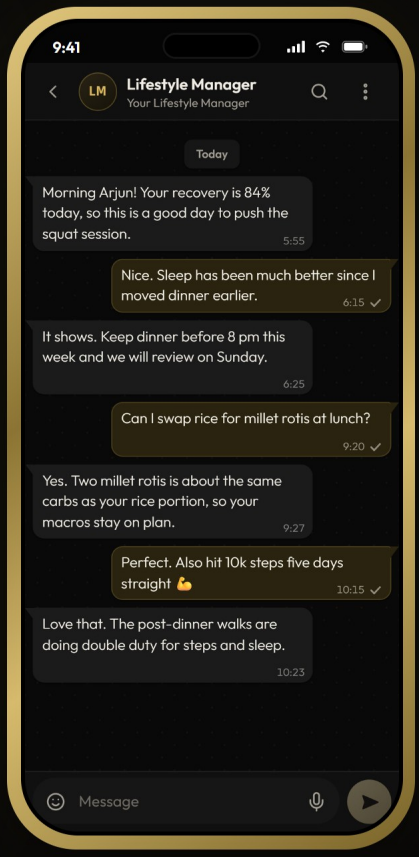

Blood report analysis

Upload your lab report. Every marker is graded A to D against your lab's own range.

In-depth nutritional advice

A two-part FitChef assessment becomes your calorie and protein targets, a sample day and a grocery plan.

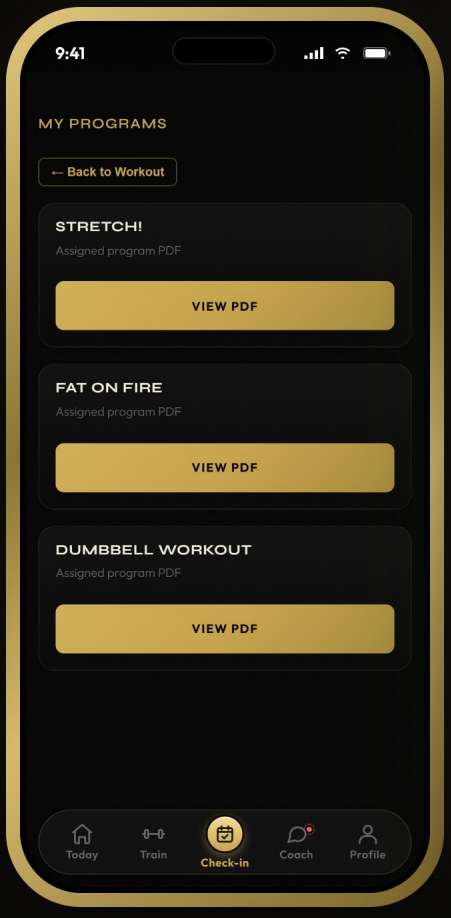

Chat with your coach

A private thread with your Lifestyle Manager. A real person who knows your numbers.

GUIDED

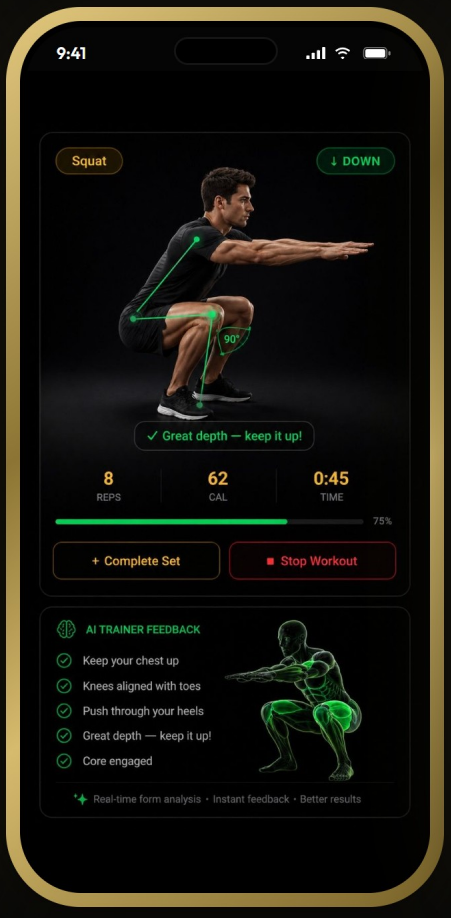

Train with a plan

A programme chosen for you, and an AI that watches your form.

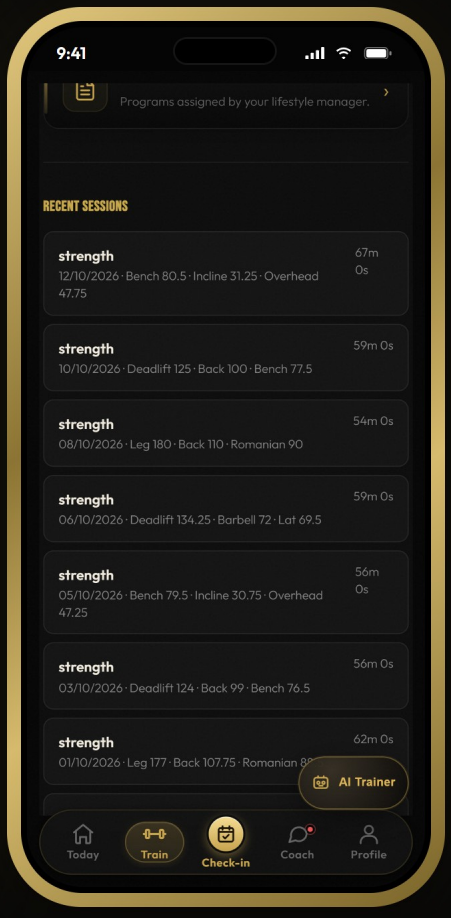

Custom workout program

Programmes assigned by your coach, ready to open before every session.

AI Trainer

Your phone camera counts every rep, tracks joint angles and tells you what to fix, live.

Workout log

Each session logged with lifts, duration and how it felt, so your coach sees the trend.

EVERYTHING IN GUIDED, PLUS

Tribe Elite

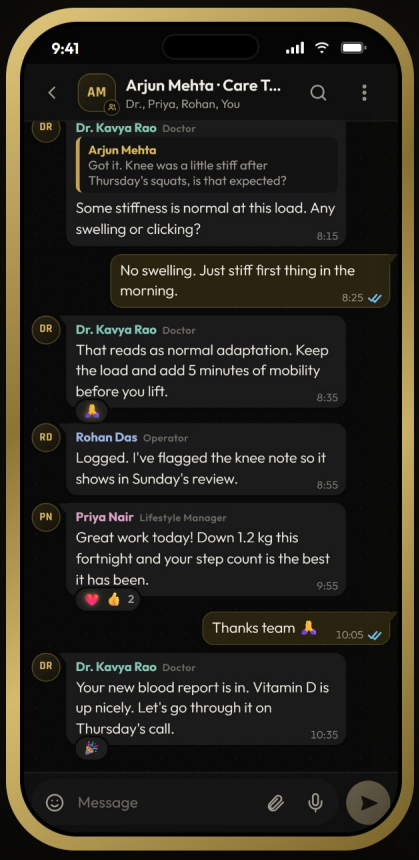

Everything, plus complete lifestyle management. For people who want a full care team managing training, food, recovery and health with them.

₹25,000
PER MONTH

₹72,000
FOR 4 MONTHS

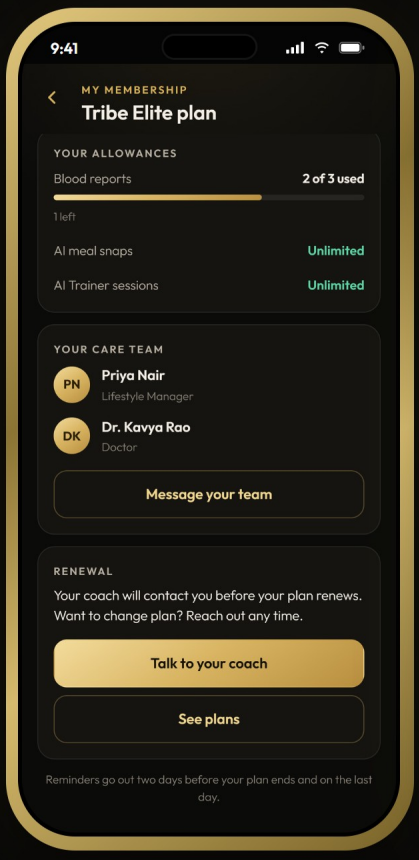

ADDS TO GUIDED

- Complete lifestyle management
- Doctor and sports nutritionist
- Dedicated group of people to monitor, remind and assist
- Wearable insights (Whoop, Apple Health & more)
- Progress reports

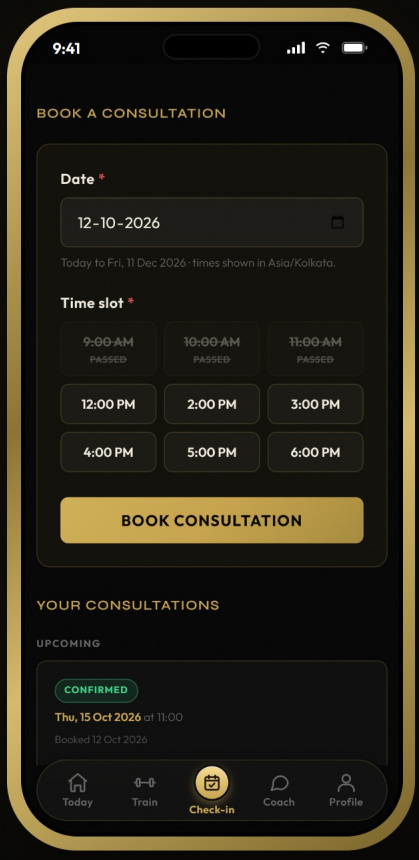

Your dedicated care team

One group chat with your doctor, Lifestyle Manager and coordinator. They monitor, remind and assist.

Complete lifestyle management

A named team owns your plan end to end: training, food, recovery and health.

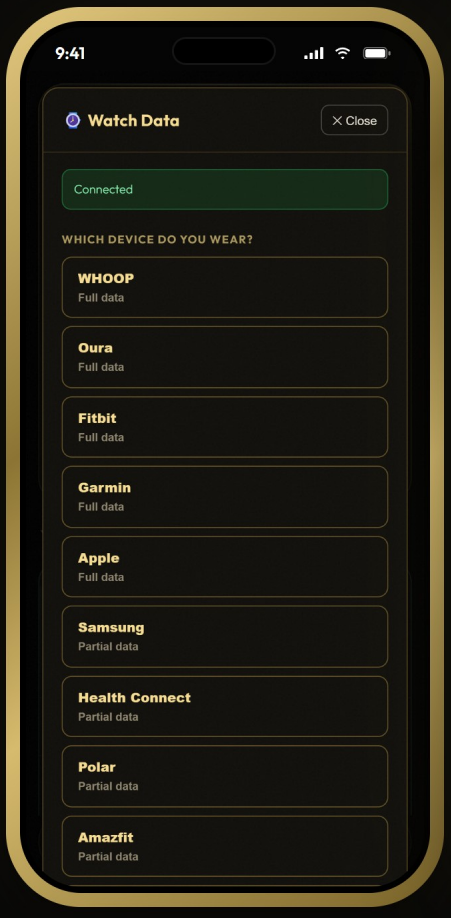

Doctor and sports nutritionist

Book consultation calls in the app and talk through your reports with the experts.

TRIBE ELITE

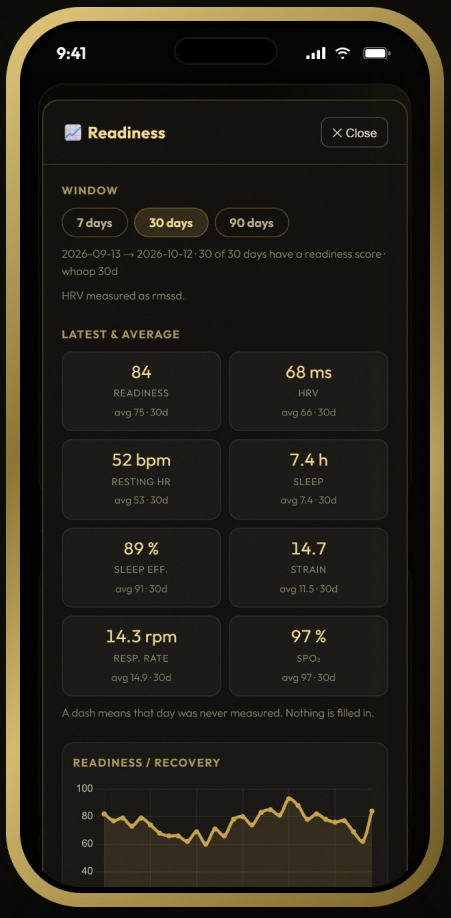

Wearable insights

Your watch data, read alongside everything else you log.

Works with your device

Whoop, Oura, Fitbit, Garmin, Apple Health, Samsung and more.

Readiness every morning

Recovery, HRV, resting heart rate, sleep and strain, with your 30-day averages.

Trends your team acts on

Recovery, HRV and sleep charted over time, so the plan changes before you burn out.

TRIBE ELITE

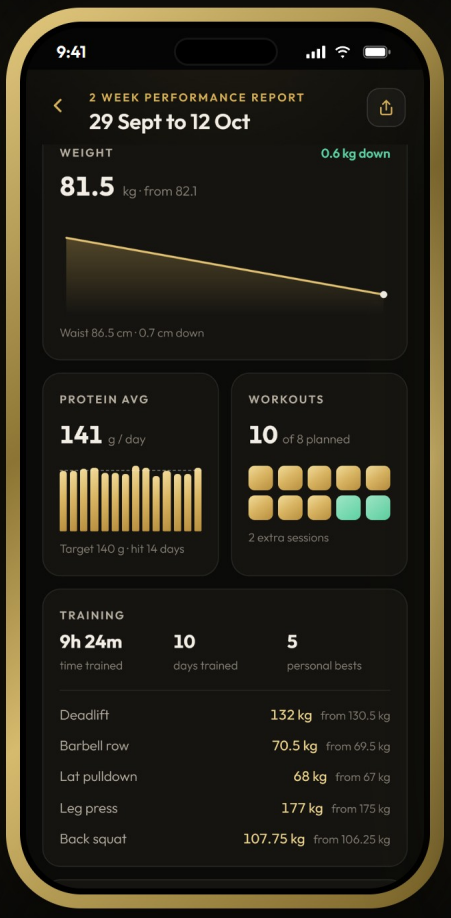

Progress reports

A two-week performance report that shows exactly what moved.

Your score, every fortnight

Workouts, nutrition, check-ins, consistency and health rolled into one BodyBank Score.

What actually changed

Weight, waist, protein average, sessions done and new personal bests.

A note from your coach

Mind, recovery and Sunday review highlights, closed with your coach's next steps.
